

Parental Consent Form

The school is participating in the Cheshire Police Schools Media Challenge 2022 and your daughter/son has been chosen to take part in a creative media workshop. This year we want to hear what they have to say about the harassment and assaults that many girls and young women are subjected to on a daily basis.

They will be learning about the cat-calls, sexist comments and unwelcome attention that can lead to sexual harassment and physical violence. As part of the activity, they will write and make podcasts or YouTube videos to spread these vital messages to other young people.

These media will be entered in competition with other schools and will be shared on social media and may be used to inform other young people about these important issues.

The project is organised by Cheshire Safer Schools & Young People Partnership, it is funded by Crimebeat and the Police & Crime Commissioner and delivered by Collaborate Digital.

Please complete the lower part of this form and return it to your son/daughter's teacher or one of the Collaborate Digital team.
